### Thanksgiving Proclamation.

Gov. Beckham issued his Thanksgiving proclamation Friday morning, which is as follows:

"In accordance with custom, and following the proclamation of the President of the United States, I appoint Thursday, November 30, as a day of thanksgiving and prayer throughout the Commonwealth of Kentucky.

"I request that all business be suspended upon that day and that all of our people, with due observance of this hallowed and beautiful custom, give praise and honor to the gracious God, who has blessed us as a nation and as a people. Let us give thanks unto Him, not alone with the usual religious ceremonies, but especially with deeds of kindness and generosity to the poor and needy among us, more expressive of gratitude and more pleasing to Him than all else we can do. In the plenitude of our country's wealth and prosperity, in the marvelous progress it has made under Christian civilization, let us remember that the Divine Teacher has told us in speaking of the virtues 'The greatest of these is charity.'"

### Girls Betrothed At Birth.

In some parts of West Africa the girls have long engagements. On the day of their birth they are betrothed to a baby boy a trifle older than themselves, and at the age of twenty they are married. The girls know of no other way of getting a husband, and so they are quite happy and satisfied, as wives they are patterns of obedience, and the marriages usually turn out successfully.

### A Creeping Death.

Blood poison creeps up towards the heart, causing death. J. E. Stearns, Belle Plaine, Minn., writes that a friend dreadfully injured his hand, which swelled up like blood poisoning. Bucklen's Arnica Salve drew out the poison, healed the wound, and saved his life. Best in the world for burns and sores. 25c at Oberdorfer's drug store.

## FEED IS MORE THAN BREED.

The right feed will convert the veriest scrub into a paying animal. Add Surene Dairy Feed to the present ration. Note the immediate gain in milk and the improved appearance of the cow. The extra milk more than pays for the feed, while the evidence of better health indicates the complete assimilation of Surene Dairy Feed and a great utilization of the roughage. It's the business end of the ration. A trial will convince.
